Re: Charles M. Brayton.

106.609 - OPRPT - RPT

Operative went to the home of Charles Brayton in an effort to interview him. Made several attempts to see him, but could never get an answer.

This morning operative gained admittance downstairs and spoke to a woman and her daughter, who said they occupied the premises. Operative asked for Mr. Brayton and was told that he had left the premises yesterday. Operative asked if they knew where he moved to and where he was employed.

This woman told operative that he left no forwarding address. She also stated that Brayton had boarded here with his sister and that she was employed at Johnson and Johnson's New Brunswick, N.J.

Respectfully submitted:
